WORK EXPERIENCE

Liddeo - PlayAutomotive
Mataró - 2021 - 2023

My role at Liddeo focused on the proactive management of appointments to facilitate future vehicle sales opportunities. I developed and executed effective strategies for coordinating visits, ensuring an efficient and professional experience for potential clients.

Intelcia - Banc sabadell
Sants - Barcelona 2024 - 2024

As a Banking Customer Service Specialist at BancSabadell, I managed bank accounts, effectively resolved customer issues and inquiries, provided technical support for online password recovery, and facilitated information about banking products and services. My focus was on ensuring a positive customer experience, optimizing their transactions, and promoting loyalty to the bank.

Atento - Tik Tok
Clot - Barcelona 2024 - 2024

Technical Specialist at TikTok Business Platform with experience in resolving complex technical tickets, implementing and optimizing APIs, HTML, and third-party platforms such as Google, WhatsApp, and Shopify. I manage a high volume of daily requests related to advertising campaigns, pixel tracking, and advanced configurations, ensuring seamless integrations and maximum client satisfaction under pressure.
